

i am PREVENTION

Ambassador Action Guide

How you can help:

Prevention is a community effort. When parents and caregivers have access to resources, children thrive, families are stronger and more resilient, and New Hampshire prospers.

It's simple: Investing in families and the network of supports they need creates a better New Hampshire.

April is Prevention Month!

Wear Blue!

Friday, April 1 is Wear Blue Day! Wear BLUE for Prevention. Take a picture and send it to us to be featured!

Attend an Event

Join us on **April 14, 21, and 26** for a series of Prevention Month events! Save the dates and learn more on our [website!](#)

Connect with Us

Follow our [Facebook](#), [Instagram](#), [LinkedIn](#) and [YouTube](#) pages—like and share our posts!

Listen to Our Podcast

Tune in to our podcast, [NH Family Now](#)—share it with your friends!

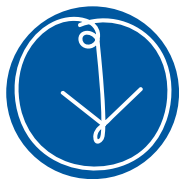

Promote on Social Media

Download our social media calendar and assets and share them on your feeds!

Email Your Contacts

Send a personalized email to your contact list about what Prevention means to you and how we can all get involved!
