# CALLING ALL BUILDERS! YOUR FAMILY PROFILE

We're so excited to have you be a part of the New Hampshire Children's Trust's 12th Annual Strengthening Families Summit: Building A Hopeful Future Together. This year, we're celebrating how communities come together to support children and caregivers, and your family's tree will be at the heart of it all! Your tree will serve as a powerful reminder that to build a strong support system, we must build up both children and families.

Before beginning the Family Tree Builders Project, please review the instructions below:

## INSTRUCTIONS:

### STEP 1: Build It!

Gather your family and have fun building your Lego® tree together! This set is a little advanced, so your children might need a helping hand from you.

### STEP 2: Capture the Fun!

While you're building, snap some photos and videos of the process. We'd love to see your family in action! These memories will help showcase your Family Tree and highlight the strength of New Hampshire families at the summit.

### STEP 3: Complete the Forms!

Once you're done, please fill out the Photo Release Form and Family Profile Sheet, which will be displayed with your tree.

### STEP 4: Send It In!

Email us at [communications@nhchildrenstrust.org](mailto:communications@nhchildrenstrust.org) with "FAMILY TREE" in the subject line once you're finished. We'll arrange a pickup for your awesome creation and forms! Also, you can send your amazing pictures and videos to the email above.

**Contact Carroll at [cberg@nhchildrenstrust.org](mailto:cberg@nhchildrenstrust.org) to get your set. Limited available!** DEADLINE for collection is **OCTOBER 16th**. From all of us at New Hampshire Children's Trust, thank you for your participation.
