KINSHIP NAVIGATION PROGRAM

Kinship Navigators guide grandparent and relative caregivers to services that help the children in their lives thrive.

What Is Kinship Care?

New Hampshire grandparent and relative caregivers play a critical role in the prevention of unnecessary entries into foster care. Despite the crucial role they play, these kinship caregivers often encounter significant challenges in their newfound role.

Rooted within NH's Family Resource Centers (FRCs), the Kinship Navigators links grandparents and other relative caregivers to the services and supports specific to their family's needs.

Kinship Navigators provide:

- Information and resource/referral
- Emotional support
- Parent education
- Follow-up services
